Product Rationalization – Dimetcote SP 210

Dear Valued Customer,

We are writing to inform you about an important update regarding the availability of **Dimetcote SP 210** in the EMEA region. After careful consideration, PPG has made the decision to phase out this product as part of reducing complexity.

Effective immediately Dimetcote SP 210 will be phased out. We understand that this may impact your operations, and we want to assure you that we are committed to providing support during this transition.

If you have any questions or concerns regarding the phase-out of Dimetcote SP 210, we encourage you to reach out to your local sales representative or technical sales support representative.

We apologize for any inconvenience this may cause and appreciate your understanding as we work towards optimizing our product offerings. Thank you for your continued support and partnership.

Yours Faithfully
